

Dainty Foods Demand It

IN EVERY Receipt that calls for cream of tartar, soda, or baking powder, use the Royal Baking Powder. Better results will be obtained because of the absolute purity and great leavening strength of the Royal. It will make the food lighter, sweeter, of finer flavor, more digestible and wholesome. It is always reliable and uniform in its work.

Alum and phosphate baking powders—some of them sold at the same price and some of them cheaper—will make neither dainty nor wholesome food.

PORTLAND MARKETS

Latest Quotations in the Portland Markets.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, April 17.—The demands on Front street produce and fresh meat dealers continue to be in excess of supplies. California is drawn upon for about every sort of marketable product, but some of the staples are about as hard to get in San Francisco as they are in Oregon. Cabbage is practically scarce in San Francisco, and Southern California has been drawn upon to tide over until the Oregon product matures; price is firm at \$2.50 per 100 pounds. There is a great scarcity of hothouse products, and the market is ready to take everything offered in the green truck line.

Potatoes.

There is no change to report in the potato market, prices ruling at last week's quotations, 60¢ to 75¢ for fancy. New potatoes are coming in from California in moderate supply.

Horrible suffering from Weeping Eczema

WE VOUCH FOR THIS

In the case of J. E. Wuersten shown here, his leg was almost entirely covered with Weeping Eczema.

It raged for two years, and was afterward entirely cleared away in about six weeks time by

D. D. D.

and no taint of the disease has appeared since.

We know this to be exactly as stated.

This result can be accomplished with any skin affection. Barrels of blood medicine can do nothing for a skin disease. Nine out of ten manifestations in the skin are local—parasitic in nature and absolutely curable by this new prescription. D. D. D. is a clean liquid prescription sopped or atomized over the affected spots twice daily.

This preparation has our unqualified endorsement. We are recommending it with most excellent results. The cures already effected are having wide-spread influence in this section. If you have a skin affection—come to the store. It will be the means of making you a happier human being.

Weeping Eczema soon cured.

I suffered with weeping Eczema in its worst form for about two years, in which time I tried several remedies and got prescriptions, until I had spent about \$100 and found no permanent relief. Naturally I became skeptical and hesitated when a remedy was offered me. "You will have to show me," as the Missouri man says, who Mr. McDonnell, of the Pioneer Drug Store, claimed he could cure me with D. D. D. I was shown photographs of cases before and after taking D. D. D. together with the story of a remarkable cure of a man working in the Valley Ax Works at Alexandria, which came under the personal observation of Mr. Jordan. I commenced using the medicine as per directions. After using the fifth bottle I was cured. I have never had any return of the disease. I came to me asking what D. D. D. did for me, and I always tell them if they want to be cured "Use D. D. D. as per directions."
J. E. WUERSTEN.

D. D. D. costs but \$1.00 a bottle and is guaranteed to cure or money refunded.
